"Wow! Telecommunications Association of Michigan members belly-laughed as I had never seen before during your comedic presentation at our convention last month... I have never before worked with a presenter, even on serious topics, let alone comedy, who was so thorough in his research. I appreciate that you went to great lengths to gain a very good layman's understanding of the very complex Telecommunications industry. Your jokes, specific to our group, were right on target."

Pamela Shimer  
Telecommunications Association of Michigan  
Lansing, MI

"Sometimes we have to work very hard to achieve success, and sometimes we let others do the work for us. One of my first assignments with INEOS Acrylics was to find an outstanding speaker/entertainer for the National Commercial Team Meeting. Thank you for making me a success. Everyone said you were the highlight of the meeting".

Marylin Kipley

"The way you pulled the audience into your act was so terrific, and I know that everyone had an absolute blast. We were all so impressed with all the prep work you did to customize your comedy just for our group. It was a perfect end to a great evening!"
