Two-time international award-winning magician Keith West has over 20 years of experience presenting programs in libraries across the nation. This is not just another library program... it's a childhood memory!!!

Keith West's Build a Better World Summer Reading Program With Miss Kitty the Library Lady takes your library guests on an action-packed and fun journey to the place where all the secrets are kept... a magical place where you can do or be anything you want to do or be! Your library is the place where you are only limited by your imagination and your ambition. It's the place where your dreams do come true!

Join Keith and Miss Kitty as they take your library guests on a fun-filled adventure to the place where dreams come true... YOUR LIBRARY!
