

The **Mac King** Comedy Show

"Best Comedy Magician"
— *World Magic Awards*

"A razor-sharp comedian"
— *Las Vegas Sun*

Mac King, a premiere comedy magician, was named “Magician of the Year” by the Magic Castle in Hollywood, appeared on his seventh TV special for NBC-TV, was voted the 6th best show in Las Vegas, and has appeared on The Late Show with David Letterman. He stars in the long running “The Mac King Comedy Magic Show” at Harrah’s Casino and Hotel in Las Vegas and is also a corporate entertainer, traveling around the world with his astounding sleight of hand and irresistible humor.

“Mac King stands apart from other magic shows on the Strip by offering a one-man hour of low-key, self-deprecating humor and the kind of “close-up” magic that requires more skill than the “cabinet tricks” of the larger shows....King offers focused comedy-magic with a point of view. Not to be missed.”

— *Fodor’s Travel Guide*

“Goofy, beguiling, funny, and sweet = Mac King is the perfect show for children and adults. His humor is broad, his tricks impeccable, and he seems so charmingly astounded when they work. King makes every trick fresh, as though this is the first time he’s tried it; and that sort of attitude is infectious. The hour-long show is brilliant, and a must-see.”

— *Frommer’s Travel Guide*

“The crowds are not just showing up, they’re coming back a second and a third time. There’s something about the guy, and I think it’s called being an original.”
