Dear Friends,

The Wild Rose Casino and Resort in Emmetsburg, Iowa has taken great pride since our grand opening in June 2006, to provide quality entertainment and gaming experiences. In accordance with our quality entertainment, we had the pleasure of hosting Bob Zany and Keith West in the Wild Rose Ballroom in January 2010 for two shows. We had a wonderful crowd that thoroughly enjoyed the performances. The best part about each show is that Bob Zany and Keith West made each show unique and really got the audiences involved. The reputation of the performers was a strong selling point in the Wild Rose Box Office. Both performers were very pleasant and great professionals to work with. We would definitely consider a repeat performance sometime in the future and would highly recommend their show.

Best Regards,

Beth A. Thompson
